### Rotation to Maximize Employee Potential

The Minister of Energy and Mineral Resources (ESDM) Jonan, today inaugurated 22 Structural Officials within the Ministry of Energy and Mineral Resources consisting of 4 senior leadership officers and 18 administrative officials within the Ministry of Energy and Mineral Resources. In his speech, Minister Jonan described the rotation this time is done to maximize the potential of each personal. "The program of no family relationship in one echelon is an old program, every unit works if it is a relative, a husband and wife, will be moved to another unit in order to improve the performance and develop the career, also there is no conflict of interest." Minister Jonan said in his speech after the inauguration.

On that occasion, the Minister of Energy and Mineral Resources also reaffirmed the reforms in the Ministry of Energy and Mineral Resources through the establishment of a Public Service Agency (BLU) at the ESDM Research and Development Agency (Balitbang) and the Human Resources Development Agency of ESDM (BPSDM). Minister Jonan also entrusted hope to the Public Service Agency (BLU) leadership in order to develop the maximum. "I chose 2 echelon 2 people who I think are the best I can hope to support Lemigas and P3TEK (Research and Development Center for Electricity Technology, New Energy, Renewable Energy and Energy Conservation) more advanced," said Jonan.
